

BUT... THEY'RE RUNNING OUT OF STRENGTH.
THE PLAN WORKED.

DON'T WET
YOUR FRANKS-
SENTLEMAN

A LOT OF DEBRIS IS FALLING DOWN ON THE PLANTS.

THEY CAN DAMAGE THE PLANTS AND
BLUR DOWN THEIR PRODUCTION

FINALLY WE DID IT.

FOR THE FIRST TIME

ACCESS TO THE DEATH SCOTTS ALPHA KEY.
IN THE NAME OF MY GODFATHER, YOU

AND TO KEEP MY LADY
RAY'S HONOR AND DUTY

ENLIGHTENED
READY TO GO

CODE: SCARS-HIGHWAY.
TEMPORARILY ENTRUST
COMMAND AUTHORITY
OF POLICE

I'LL HOLD THEM
BACK.

GO,
SCARS-HIGHWAY!

KNIGHT RUN
NO. 47
EP-PRAY
PART-45

BREAKTHROUGH

THEIR ATTENTION IS FOCUSED ON SPACE.
THIS IS OUR CHANCE TO RUN!

IF WE HESITATE,
WE'RE BOMBS DUST

DON'T BE STUPID! RUN AS FAST AS YOU
CAN!

THIS FIGHT IS NOT ABOUT DEATH,
BUT ABOUT SURVIVAL. DON'T FORGET!

LET'S ESCAPE
WITH FLAME

THE OLD-TIME
NUCLEAR-TIPPED
ROCKET IN STOCK
WILL BE OUR HELD

FORM ARCHIVED AND OPEN
ALL THE HATCHES AT ONCE!

FIRE ALL
ATTENTION!

THIS PORTABLE CANNON WAS MADE FOR ONE SHOT BECAUSE IT CAN'T RELOAD ITS OWN BODILY AND CONSUMES SO MUCH ELECTRICITY (LET'S NAME IT A DISPOSABLE CANNON INSTEAD). ITS PERFORMANCE IS TOO GOOD TO JUST BE AN EXPERIMENTAL, DISPOSABLE WEAPON.

WE'RE HEATING FOR SOME OF THEM ON

AFTER MY WHIST BLOW, I'M NOT GOOD AT FLYING, SO PLEASE...

COME TO THINK OF IT, AND SO WAS BAST IN THE END.

THE WAY YOU TREAT HIM DOESN'T CHANGE AT ALL.

HE ALWAYS SURVIVES IN ANY CIRCUMSTANCES. ED WILL BE OKAY.

MANY ENEMIES DETECTED

END

FINE...
ALL GUARDING
ON ME...

NO OBSTACLES
THIS PATH IS IN GOOD CONDITION

DISPLAY THE ROUTE

IF WE HAVE TO
FIGHT HERE,
IT'S GOING TO BE
A HELL OF A SCRAMBLE

KEEP FOR
NO FIGHTS

I NEED TO
WATCH
MY ROUTE

KREEEEEEEEEN!

WELL, THIS IS AN
ADVANCED WORKING
FORWARD DESIGN.

NOISELY AND
PORE POWER ARE
OUTSTANDING.

OR

TOX

THE DEAD DESIGN
ACTUALLY TOO LATE
ONE TO THE NUCLEAR
CAP WAVE.

WE
BARELY
WELCOMED
THE
JANILE
COWAN
OUT
RIGHT
AFTER
THAT

ENERGY TOXICITY

THEY'RE THE WORST
KIND OF THOSE
MASS-PRODUCED
AND FOR ANOTHER
THEY'RE A WORSE
"STRESSOR"
THAN MY JAIL.

A 3RD SPECTER PLANT
HAS ALREADY BEEN DEVELOPED,
I ONLY SAW THEIR HIGH-TECH
UNIT IN THE DISCOUNT
FOR JANILE FIVE.

FOCUS ON
THE ENDOCRINE
SYSTEM
TO THE UNDER
STANDING
WE FOUND
IT A LOT IN THE
M. S. BLOODLINE.

IF YOU PASS THROUGH THAT DOORWAY
YOU CAN DECIDE A WAY THAT WILL
LEAD YOU TO THE NEXT, INCLUDING
ENERGY DETECTION IN THE PLANT
CONCEIVED AREA.

NOW IS YOUR LAST CHANCE
TO PASS THROUGH THE WAY!

BLUE FLUTTERED THE 2ND IS ASCENDING, BUT SINCE ITS STATUS IS INCOMPLETE, IT DOESN'T HAVE ENOUGH FIRE POWER TO STOP US.

ITS MASS IS SMALLER THAN THE COLONY, BUT IT IS VERY LARGE, AND EASY TO HIT. IT WILL BE HARD TO FIGHT BACK.

IN SPACE, THE AIR FLEETS, THAT STAYED AT THE COMET SYSTEM, ARE CONFUSED ALSO. THE AIR WHO ARE POINTING IN SPACE ARE FLUSTERED.

THEY HAVE NO TIME TO CARE ABOUT THEIR SMALL-SCALE BATTLE.

THEIR 3TH FLIGHT IS INCOMPLETE, BUT ITS BELLARS ARE ASCENDING IN A HURRY.

THEY ARE CONSIDERABLY FLUSTERED.

THE BELLARS AND SPACE POINTING IN THE 3TH AREA ARE DISORIENTED NOW.

PERHAPS THEY CAN RESOLVE THE SITUATION ANYHOW.

WELL, THEN LET'S
GET STARTED

ENTERING THE PATH

SOMEONE THAT BLUE THING
WOULDN'T BE ABLE TO RESPOND
THIS TIME THIS IS A UNIQUE
SCENE

WHO CAME UP WITH THIS
KIND OF PLAN? WHEN DID
HE MAKE THAT WEAPON?
IT IS QUITE DETAILED FOR
A PLAN MADE IN A HURRY

I CAN'T IMAGINE
HOW MUCH THE
DAMAGE WILL BE

HURRY UP ABB...
THIS WAS A SECRET
PLAN TO INVADE ABB...
I ASSURE

217

IN FACT, ABB'S HIGHER UPS
BECAME AWARE THAT THEY WOULD
LOSE CONTROL OF THE BROWN
ARCH ADMINISTRATION AND
KNIGHTS. THIS IS A LONG-
PREPARED INVASION
PLAN MADE TO CONTROL
AND NEUTRALIZE ABB

IT WAS QUITE
INTERESTING THAT
ARCHISTED, WHICH
SAVED MY ASS EARLIER,
WAS ALSO PART OF THE PLAN

WELL, YOU KNOW EVERYTHING

WE ONLY HELPED YOU IN
EXCHANGE FOR KEEPING THIS
A SECRET OFFICIALLY.
THIS WAS YOUR OWN PLAN

POLY

I CAN'T JUDGE
PERFORMERS IN THE CIRCLES
TO HIT ONE MORE SHOT

A large, dark, swirling mass, possibly a nebula or a large object in space. It has a bright blue core and several smaller, bright blue spots. The overall color is dark purple and black.

NOW YOU'RE COWARDS,
ANNIE
